Window Transaction Survey

Window Transaction Survey

Record the number of retail window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order is two transactions. Do not record the handling out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use PS Form 2007-A, Window Transaction Record; PS Form 2007-B, Window Transaction Conversion; and PS Form 2007-C, Window Transaction Survey. To obtain the average daily number of transactions, divide the total number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, total the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.

POSTAL CUSTOMER
DEERING POST OFFICE
DEERING, MO 63840

Dear Postal Service Customer:

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way your postal service is provided. The recommended change is tentative and will not lead to a formal proposal unless we conclude that it will provide a maximum degree of regular and effective service.

The Postmaster at the Deering Post Office was promoted on 10/10/2008. The Office is being studied for possible closing or consolidation for the following reasons: 1. Due to declining workload. 2. Operational efficiencies will be obtained by providing the alternate service. 3. Regular and effective service can be provided by the rural carrier that serves the community. 4. There are 2 other post offices within a 7 mile radius.

Briefly, we would like to provide pickup and delivery of your mail, as well as the sale of stamps and all other customary postal services, by rural route service emanating from the Bragg City Post Office.

We estimate that carrier service would cost the Postal Service substantially less than maintaining the Post Office in your community and still provide regular and effective service. Enclosed is information about some of the services available from the carrier. Retail services are also available at the Bragg City Post Office, located 10.8 miles away. Hours of service at this office are 8:30 to 16:00, Monday through Friday, and 8:30 to 9:00 on Saturday. Post Office box service is available at this location at the same fees.

In addition retail services are also available at the Braggadocio Post Office, located 4.0 miles away. Hours of service at this office are 7:30 to 16:30, Monday through Friday, and 7:30-8:30 on Saturday.

I invite you to think about a possible change to rural route service. Please return the enclosed questionnaire by 06/22/2011 using the pre-addressed envelope provided or at the community meeting. Please be aware that, if we formalize a proposal, your questionnaire will become part of an official record and will be available for public viewing.

You may, of course, want to discuss this form of service with us before drawing any conclusions. Postal representatives will be at the Delta C-7 High School Library on Wednesday, June 22, 2011 from 18:00 to 19:00 to answer questions and provide information about our service. You may wish to discuss and submit your questionnaire at that time.

If you have any questions, you may call Joanne Dean at (816) 374-9686.

Thank you for your assistance.

Sincerely,

POST OFFICE ON WHEELS SERVICES AVAILABLE FROM RURAL AND HIGHWAY CONTRACT ROUTE CARRIERS

You can eliminate almost all trips to the Post Office, because doing business with the Postal Service is as close as your mailbox. The carrier can provide virtually all postal services to you, and most transactions do not require meeting the carrier at the mailbox. Some of the most frequently used services are:

MAILING PACKAGES

Carriers will accept packages at the mailbox without a customer being present, provided the postage is fully prepaid, and the customer is known to reside or conduct business at that collection point. The package **MUST** have a matching return address that is the same as the collection point. If postage has not been applied, estimate the amount of postage needed and leave the money in the mailbox. If insurance is desired, the value of the contents must be specified. The carrier will take the package to the Post Office, and it will be weighed to determine the appropriate rate. The package will be mailed that same day. The carrier will leave the customer's change and insurance receipt, if appropriate, in the mailbox on the next delivery day.

PURCHASING STAMPS BY MAIL

The Stamps by Mail program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, *Stamp Purchase Order (Rural)*, available from the Post Office or the carrier.

Commemorative stamps and stamp-collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the United States Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the Post Office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as Certified, Registered, Express Mail, Delivery Confirmation, Signature Confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

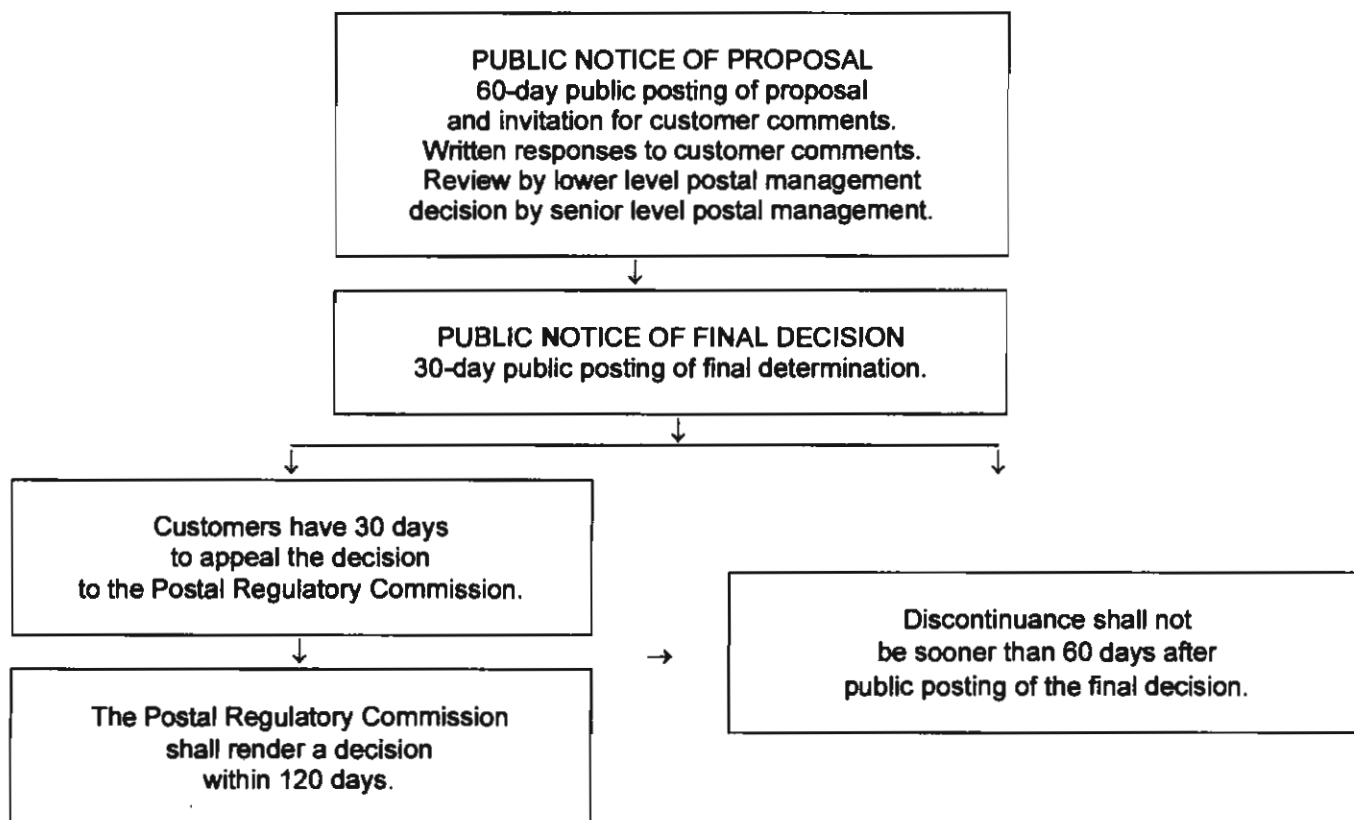

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the Post Office during their absence. Upon return, the customer asks the Post Office to resume delivery.

SUMMARY OF POST OFFICE CHANGE REGULATIONS

Certain regulations based on federal law apply when postal managers propose to replace a Post Office with an alternate form of postal service. These regulations are designed to ensure that the reasons for proposing such changes in postal service are fully disclosed at a stage when customers can make helpful contributions toward a final decision. The full text of the statutory provisions appears in Title 39, *United States Code*, Section 404(b), while the implementing regulations appear in Title 39, *Code of Federal Regulations*, Part 241.3.

According to implementing regulations, an initial investigation and any subsequent formal proposal to discontinue a Post Office originate with postal field managers responsible for Post Offices in that area. The proposal must explain the services recommended as substitutes and the rationale that supports this recommendation. The written proposal is prominently posted for 60 days at affected Post Offices, along with an "Invitation for Comments," which formally invites customer comments. At the end of the 60-day comment period, additional review is made at lower and upper levels of postal management.

When a final decision is made at Postal Headquarters in Washington, DC, that decision is posted in affected Post Offices for 30 days, during which customers may appeal the decision to the Postal Regulatory Commission in Washington, DC. The Postal Regulatory Commission has 120 days to consider and decide an appeal. Even without an appeal, no Post Office may be closed sooner than 60 days after the public posting of the final decision.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Deering Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

If it is determined that a discontinuance of the Deering Post Office should be pursued, a formal proposal will be posted in the Bragg City Post Office, Braggadocio Post Office and Deering Post Office at a later date. If you have additional questions or comments, please feel free to contact Joanne Dean at (816) 374-9686.

Sincerely,

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Deering Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the limited hours of operation at the Post Office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue. A workload analysis indicated the office level had declined and qualified for for less hours of service per week. Carrier service will provide 24-hour access to the mail.

If it is determined that a discontinuance of the Deering Post Office should be pursued, a formal proposal will be posted in the Bragg City Post Office, Braggadocio Post Office and Deering Post Office at a later date. Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Deering Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You were concerned about obtaining services from the carrier. Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

If it is determined that a discontinuance of the Deering Post Office should be pursued, a formal proposal will be posted in the Bragg City Post Office, Braggadocio Post Office and Deering Post Office at a later date. Thank you for returning your questionnaire concerning the proposed discontinuance of the Deering Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

If it is determined that a discontinuance of the Deering Post Office should be pursued, a formal proposal will be posted in the Bragg City Post Office, Braggadocio Post Office and Deering Post Office at a later date. I Could NOT pick up my mail in Bragg City - I work in Caruthersville & do NOT go near Bragg City - this would be out of the way -

Would we have to get our mail from the Post Office in Bragg City? or, do we have to get a mail box at our home? or can we get our mail from the Post Office in Braggadocio Post Office?

Seems to me would be better for the residents in and around Deering to get our mail at the Post Office in Braggadocio since it's 4.0 miles away & Bragg City is 10.8 miles away.

I work in Caruthersville and it would be a huge inconvenience for me to have to go all the way to Bragg City for my mail, I go by the Post Office in Braggadocio every day on my way to Caruthersville and again on my way home -

I cannot attend the Meeting on June 22 as I work until 9:00 pm that night -

I would appreciate a response back. Thank you!

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Deering Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You were concerned about obtaining services from the carrier. Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

If it is determined that a discontinuance of the Deering Post Office should be pursued, a formal proposal will be posted in the Bragg City Post Office, Braggadocio Post Office and Deering Post Office at a later date. If you have additional questions or comments, please feel free to contact Joanne Dean at (816) 374-9686.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Deering Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed a concern about nonpostal services. Nonpostal services provided at the Post Office will be available at the administrative Post Office. Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.

If it is determined that a discontinuance of the Deering Post Office should be pursued, a formal proposal will be posted in the Wardell Post Office, Braggadocio Post Office and Deering Post Office at a later date. If you have additional questions or comments, please feel free to contact Joanne Dean at (816) 374-9686.

Sincerely,

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Deering Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about mailbox vandalism. This is a problem that is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer a mail box to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff.

If it is determined that a discontinuance of the Deering Post Office should be pursued, a formal proposal will be posted in the Wardell Post Office, Braggadocio Post Office and Deering Post Office at a later date. If you have additional questions or comments, please feel free to contact Joanne Dean at (816) 374-9686.

Sincerely,

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Deering Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the loss of the bulletin board at the Post Office. Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.

If it is determined that a discontinuance of the Deering Post Office should be pursued, a formal proposal will be posted in the Wardell Post Office, Braggadocio Post Office and Deering Post Office at a later date. Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Deering Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about permit mailing that was input at the Post Office. Administrative responsibility for the permit account will be or has been transferred to the administrative Post Office. Mailings must be submitted to that office for verification. Customers interested in obtaining a permit should contact the administrative postmaster.
- You expressed a concern about having to travel to another Post Office for service. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

If it is determined that a discontinuance of the Deering Post Office should be pursued, a formal proposal will be posted in the Wardell Post Office, Braggadocio Post Office and Deering Post Office at a later date. If you have additional questions or comments, please feel free to contact Joanne Dean at (816) 374-9686.

Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.
- You expressed a concern about the loss of a bus stop at the Post Office. Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.
- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

In response to your letter:

- You expressed a concern about mailbox installation and maintenance. Customers are responsible for mailbox installation and maintenance. Mailboxes must be placed so that they may be safely and conveniently served by the carrier and must be located on the right-hand side of the road in the direction of the carrier's travel. Mailbox supports should conform to state laws and highway regulations. The Postal Service recommends that customers contact the administrative postmaster or carrier for advice on placement of mailboxes and mailbox height and supports.

If it is determined that a discontinuance of the Deering Post Office should be pursued, a formal proposal will be posted in the Wardell Post Office, Braggadocio Post Office and Deering Post Office at a later date. If you have additional questions or comments, please feel free to contact Joanne Dean at (816) 374-9686.

Sincerely,

A handwritten signature in black ink, appearing to read "SA Erbland".

Postal Concerns

The following postal concerns were expressed

1. Concern (No Opinion):

Customers were concerned about having to travel to another Post Office for service.

Response:

Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

2. Concern (No Opinion):

Customers were concerned about permit mailing.

Response:

Administrative responsibility for the permit account will be or has been transferred to the administrative Post Office. Mailings must be submitted to that office for verification. Customers interested in obtaining a permit should contact the administrative postmaster.

3. Concern (No Opinion):

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Concern (No Opinion):

4. I live in Braggadocio, but I occasionally use this Post Office. This Post Office is the life blood of the community and does not need to be closed. Too many elderly, poor and disabled people would be affected negatively. Plus the Delta C-7 schools and businesses. Many people who do not live in Deering itself, but gravel roads, etc. also use this Post Office.

Response:

5. Concern (No Opinion):

No Concern

Response:

6. Concern (Unfavorable):

Customer expressed a concern about mailbox vandalism.

Response:

This is a problem that is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer a mail box to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff.

7. Concern (Unfavorable):

Customers inquired about mailbox installation and maintenance.

Response:

Customers are responsible for mailbox installation and maintenance. Mailboxes must be placed so that they may be safely and conveniently served by the carrier and must be located on the right-hand side of the road in the direction of the carrier's travel. Mailbox supports should conform to state laws and highway regulations. The Postal Service recommends that customers contact the administrative postmaster or carrier for advice on placement of mailboxes and mailbox height and supports.

8. Concern (Unfavorable):

Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

9. Concern (Unfavorable):

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

10. **Concern (Unfavorable):**

Customers were concerned about permit mailing.

Response:

Administrative responsibility for the permit account will be or has been transferred to the administrative Post Office. Mailings must be submitted to that office for verification. Customers interested in obtaining a permit should contact the administrative postmaster.

11. **Concern (Unfavorable):**

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

12. **Concern (Unfavorable):**

Customers were concerned about the limited hours of operation at the Post Office.

Response:

Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue. A workload analysis indicated the office level had declined and qualified for less hours of service per week. Carrier service will provide 24-hour access to the mail.

13. **Concern (Unfavorable):**

This Post Office is a daily use for us and so many more. This would be a very big hardship to the Deering Community.

Response:

Nonpostal Concerns

The following nonpostal concerns were expressed

1. **Concern (No Opinion):**

Customer expressed a concern about nonpostal services.

Response:

Nonpostal services provided at the Post Office will be available at the administrative Post Office. Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.

2. **Concern (No Opinion):**

Customer expressed a concern about the loss of the community bulletin board at the Post Office.

Response:

Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.

3. Concern (No Opinion):

Customers expressed a concern about the loss of a bus stop at the Post Office.

Response:

Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.

4. Concern (No Opinion):

No Concern

Response:

5. Concern (Unfavorable):

Customer expressed a concern about nonpostal services.

Response:

Nonpostal services provided at the Post Office will be available at the administrative Post Office. Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.

Postal Service Customer Community Meeting Analysis

(categorize customer concerns as postal or nonpostal and provide the Postal Service response for each.)

Postal Concerns

1. **Concern (Unfavorable):**
Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community.
Response:
The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.
2. **Concern (Unfavorable):**
Customers were concerned why the postmaster position was not filled.
Response:
All management positions were frozen in anticipation of the reorganization efforts.
3. **Concern (Unfavorable):**
Customers were concerned about a possible address change.
Response:
Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations. Change of address forms are available online at usps.com or from the Postal Service to assist customers in notifying correspondents of the change.
4. **Concern (Unfavorable):**
Customer expressed a concern about irregular hours that the rural route serves the community.
Response:
Carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier to sound his horn, and then meet the carrier to receive services. Retail services may also be obtained at the administrative Post Office.
5. **Concern (Unfavorable):**
Customers expressed concern over the dependability of rural route service.
Response:
Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously each day.
6. **Concern (Unfavorable):**
Customer expressed a concern about package delivery and pickup.
Response:
Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to 1/2 mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. The carrier can deviate from the line of travel in order to receive packages. The rural carrier will accept letters, flats or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.
7. **Concern (Unfavorable):**
Customer suggested reducing/alternating the number of hours the post office operates.
Response:
Hours are determined by the workload at the post office.
8. **Concern (Unfavorable):**
Customer expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. Quoting the PRC which said if the Postal Service closed 1000 Post Offices, it would only save 0.7% of the postal budget.
Response:
The Postal Service has developed and begun implementing a range of cost-reducing initiatives. These include: consolidating operations, adjusting delivery routes, restructuring administrative and processing functions and closing district offices. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature service, in an effort to grow revenue.

9. **Concern (UnFavorable):**
Customers were concerned about obtaining services from the carrier.

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

10. **Concern (UnFavorable):**
Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

11. **Concern (UnFavorable):**
Customers asked why their Post Office was being discontinued while others were retained.

Response:

Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.

Nonpostal Concerns

1. **Concern (UnFavorable):**
Customers expressed concern for loss of community identity.

Response:

A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

2. **Concern (UnFavorable):**
Customers were concerned about loss of employment in the community.

Response:

The postmaster position is vacant and there is no guarantee that any replacement postmaster would be from the community.

06/08/2011

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way postal services are provided. Our tentative plans will only lead to a formal proposal if we are satisfied that a maximum degree of regular and effective service can be provided.

1. Due to declining workload. 2. Operational efficiencies will be obtained by providing the alternate service. 3. Regular and effective service can be provided by the rural carrier that serves the community. 4. There are 2 other post offices within a 7 mile radius.

If you would like an opportunity to discuss alternatives with us, a postal representative will be at Delta C-7 High School Library on 06/22/2011 from 18:00 to 19:00 to answer questions and provide information about our service.

If you have any questions, you may contact Joanne Dean at (816) 374-9686.

Thank you for your assistance.

Sincerely,

**PROPOSAL TO CLOSE
THE DEERING, MO POST OFFICE
AND ESTABLISH
SERVICE BY RURAL ROUTE SERVICE**

DOCKET NUMBER 1360540 - 63840

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Deering, MO Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Wardell Post Office, located 17 miles away.

The postmaster position became vacant when the postmaster was promoted on October 10, 2008. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: 1. Due to declining workload. 2. Operational efficiencies will be obtained by providing the alternate service. 3. Regular and effective service can be provided by the rural carrier that serves the community. 4. There are 2 other post offices within a 7 mile radius.

The Deering Post Office, an EAS-55 level, provides service from 08:30 - 14:00 Monday - Friday, 08:30 - 14:00 Saturday and lobby hours of 24:00 on Monday - Friday and 24:00 on Saturday to 70 post office box or general delivery customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 11 transaction(s) accounting for 10 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$13,191 (34 revenue units) in FY 2008; \$16,169 (42 revenue units) in FY 2009; and \$12,230 (32 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On June 22, 2011, representatives from the Postal Service were available at Delta C-7 High School Library to answer questions and provide information to customers. 89 customer(s) attended the meeting.

On June 16, 2011, 75 questionnaires were distributed to delivery customers of the Deering Post Office. Questionnaires were also available over the counter for retail customers at the Deering Post Office. 36 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 0 favorable, 21 unfavorable, and 15 expressed no opinion.

A petition supporting the retention of the Deering Post Office was received on September 02, 2011, with 158 signatures. If this proposal is implemented, delivery and retail services will be provided by the Wardell Post Office, an EAS-13 level office. Window service hours at the Wardell Post Office are from 8:30 to 18:00, Monday through Friday, and 8:30 to 9:00 on Saturday. There are 40 post office boxes available.

Retail service is also available at the Braggadocio Post Office an EAS-11 level office, located four miles away. Window service hours at Braggadocio Post Office are from 7:30 to 18:30, Monday through Friday and 7:30-8:30 on Saturday. There are 66 post office boxes available for rent.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:** Customer expressed a concern about mailbox vandalism.

Response: This is a problem that is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer a mail box to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff.
2. **Concern:** Customers inquired about mailbox installation and maintenance.

Response: Customers are responsible for mailbox installation and maintenance. Mailboxes must be placed so that they may be safely and conveniently served by the carrier and must be located on the right-hand side of the road in the direction of the carrier's travel. Mailbox supports should conform to state laws and highway regulations. The Postal Service recommends that customers contact the administrative postmaster or carrier for advice on placement of mailboxes and mailbox height and supports.
3. **Concern:** Customers were concerned about having to travel to another Post Office for service.

Response: Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
4. **Concern:** Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

5. **Concern:**

Customers were concerned about obtaining services from the carrier.

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

6. **Concern:**

Customers were concerned about permit mailing.

Response:

Administrative responsibility for the permit account will be or has been transferred to the administrative Post Office. Mailings must be submitted to that office for verification. Customers interested in obtaining a permit should contact the administrative postmaster.

7. **Concern:**

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

8. **Concern:**

Customers were concerned about the limited hours of operation at the Post Office.

Response:

Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue. A workload analysis indicated the office level had declined and qualified for for less hours of service per week. Carrier service will provide 24-hour access to the mail.

DIANE MOONEY
39 2ND STREET
DEERING, MO 63840

Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Deering Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to 1/4 mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. The carrier can deviate from the line of travel in order to receive packages. The rural carrier will accept letters, flats or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.
- You were concerned about obtaining services from the carrier. Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.
If you have additional questions or comments, please feel free to contact Joanne Dean at (816) 374-9686.

Sincerely,

9. **Concern:** I live in Braggadocio, but I occasionally use this Post Office. This Post Office is the life blood of the community and does not need to be closed. Too many elderly, poor and disabled people would be affected negatively. Plus the Delta C-7 schools and businesses. Many people who do not live in Deering itself, but gravel roads, etc. also use this Post Office.
- Response:**
10. **Concern:** This Post Office is a daily use for us and so many more, This would be a very big hardship to the Deering Community.
- Response:**
11. **Concern:** Customer expressed a concern about package delivery and pickup.
- Response:** Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.
12. **Concern:** Customer felt that the USPS should negotiate a better lease with the property owner of the building due to no repairs or updates being done in years. Customer feels if the USPS leaves the community it will end up another vacant building.
- Response:** As leases expire the lease is negotiated. All leases are negotiated with different responsibilities of the owners and of the USPS. The lack of repair will be reported throughout the contract and the USPS will determine the responsible party and attempt to have repairs completed. The amount of the lease is based on the current property value at that time.
13. **Concern:** Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community.
- Response:** The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.
14. **Concern:** Customer expressed a concern about irregular hours that the rural route serves the community.
- Response:** Carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier to sound his horn, and then meet the carrier to receive services. Retail services may also be obtained at the administrative Post Office.
15. **Concern:** Customer expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. Quoting the PRC which said if the Postal Service closed 1000 Post Offices, it would only save 0.7% of the postal budget.
- Response:** The Postal Service has developed and begun implementing a range of cost-reducing initiatives. These include: consolidating operations, adjusting delivery routes, restructuring administrative and processing functions and closing district offices. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature service, in an effort to grow revenue.
16. **Concern:** Customer suggested reducing/alternating the number of hours the post office operates.
- Response:** Hours are determined by the workload at the post office.

17. **Concern:**

Customers asked why their Post Office was being discontinued while others were retained.

Response:

Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.

18. **Concern:**

Customers expressed concern over the dependability of rural route service.

Response:

Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously each day.

19. **Concern:**

Customers were concerned why the postmaster position was not filled.

Response:

All management positions were frozen in anticipation of the reorganization efforts.

20. **Concern:**

Customers were concerned about a possible address change.

Response:

Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations. Change of address forms are available online at usps.com or from the Postal Service to assist customers in notifying correspondents of the change.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBU's can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Deering is an unincorporated community located in PEMISCOT County. The community is administered politically by Pemiscott County Court. Police protection is provided by the Pemiscott County Sheriff. Fire protection is provided by the Hayti Fire Department. The community is comprised of Retirees, Commuters, Farmers and Self employed., and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Delta C-7 School and Deering United Methodist Church., Griffin Oil & Propane, Forrest Excavating, Ag Distributors Inc. (ADI), Calhoun Enterprises, Deering Seed & Fertilizer and TLW Enterprises. . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Deering Post Office will be available at the Wardell Post Office. Government forms normally provided by the Post Office will also be available at the Wardell Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customer expressed a concern about nonpostal services.
Response: Nonpostal services provided at the Post Office will be available at the administrative Post Office. Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.
2. **Concern:** Customer expressed a concern about the loss of the community bulletin board at the Post Office.
Response: Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.
3. **Concern:** Customers expressed a concern about the loss of a bus stop at the Post Office.
Response: Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.
4. **Concern:** Customers felt the loss of a Post Office would have a detrimental effect on the business community.

Response:

Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

5. **Concern:**

Customers were concerned about loss of employment in the community.

Response:

The postmaster position is vacant and there is no guarantee that any replacement postmaster would be from the community.

6. **Concern:**

Customers were concerned about the loss of a gathering place and an information center.

Response:

Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

4. **Concern:**

Customers expressed concern for loss of community identity.

Response:

A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was promoted on October 10, 2008. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 33,664 with a breakdown as follows:

Postmaster Salary (EAS-55, No COLA)	\$ 22,520
Fringe Benefits @ 33.5%	\$ 7,544
Annual Lease Costs	<u>+ \$ 3,600</u>
Total Annual Costs	\$ 33,664
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 33,664</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Deering, MO Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Wardell Post Office, located 17 miles away.

The postmaster was promoted on October 10, 2008. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by rural route service.

The Deering Post Office provided delivery and retail service to 70 PO Box or general delivery customers and no delivery route customers. The daily retail window transactions averaged 11. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$33,664 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Deering Post Office, Braggadocio Post Office and Wardell Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

Dear Postal Service Customer:

In response to your letter:

- You expressed a concern about the services available from the rural carrier. The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. 1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

It will force me to travel many more miles to get my mail. I have a concern because my medicine is mail order and if left in a mailbox it would be available to whoever wanted to get it out of the ^{Rural Route} mailbox.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

Very unfair to the business in the town and also to the school which uses the post office daily.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

Should try to arrive at a better lease agreement with the present landlord as no repairs and updates have been done in years. If the Post Office moves it will just be another empty building.

- You expressed a concern about the detrimental effect the loss of the Post Office would have on the community. Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.
- As leases expire the lease is negotiated. All leases are negotiated with different responsibilities of the owners and of the USPS. The lack of repair will be reported throughout the contract and the USPS will determine the responsible party and attempt to have repairs completed. The amount of the lease is based on the current property value at that time.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

If you have additional questions or comments, please feel free to contact Joanne Dean at (816) 374-9686.

Optional Comment Form

Following are comments I wish to make concerning the proposed discontinuance of the DEERING Post Office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

I prefer my medications - and my mail be delivered at this post office - rather than taking a chance being placed in a rural mail box - that someone - anyone could come and steal

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

lots of people get together at the post office
talk and visit and share news
would be hard on the businesses - (schools)
in our community - and on the elderly
when trying to mail packages

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

would like to keep the convenience
of this post office.

Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Deering Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.
- You expressed a concern about the loss of a gathering place and an information center. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
- You expressed a concern about the detrimental effect the loss of the Post Office would have on the community. Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.
- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. The carrier can deviate from the line of travel in order to receive packages. The rural carrier will accept letters, flats or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

If you have additional questions or comments, please feel free to contact Joanne Dean at (816) 374-9686.

Optional Comment Form

Following are comments I wish to make concerning the proposed discontinuance of the DEERING Post Office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

It's extremely convenient to have the Post office as close as it is. We think the service is great. I don't want my mail put in a box on the side of the road where anyone has access to it making it easy to steal my identity.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

for one it would be taking jobs away & leave people w/o means to support themselves & forcing them to seek unemployment, furthering the economic debt.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

It's just not right! the WHOLE Community uses the Post office here.

Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Deering Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You were concerned about obtaining services from the carrier. Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

Thank you for taking the time to submit your comments to the proposal to close the Deering Post Office. The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Deering Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You expressed a concern about having to travel to another Post Office for service. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.
- You expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box. If the package does not fit in the mail box, the carrier will deliver the package up to ¼ mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.
- You expressed a concern about the detrimental effect the loss of the Post Office would have on the community. Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.
- As leases expire the lease is negotiated. All leases are negotiated with different responsibilities of the owners and of the USPS. The lack of repair will be reported throughout the contract and the USPS will determine the responsible party and attempt to have repairs completed. The amount of the lease is based on the current property value at that time.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Deering Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.
- You expressed a concern about the loss of a gathering place and an information center. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
- You expressed a concern about the detrimental effect the loss of the Post Office would have on the community. Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.
- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box. If the package does not fit in the mail box, the carrier will deliver the package up to ¼ mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. The carrier can deviate from the line of travel in order to receive packages. The rural carrier will accept letters, flats or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Deering Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You were concerned about obtaining services from the carrier. Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

**PROPOSAL TO CLOSE
THE DEERING, MO POST OFFICE
AND ESTABLISH
SERVICE BY RURAL ROUTE SERVICE
(REVISED)**

DOCKET NUMBER 1360540 - 63840

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Deering, MO Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Wardell Post Office, located 17 miles away.

The postmaster position became vacant when the postmaster was promoted on October 10, 2008. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: 1. Due to declining workload. 2. Operational efficiencies will be obtained by providing the alternate service. 3. Regular and effective service can be provided by the rural carrier that serves the community. 4. There are 2 other post offices within a 7 mile radius.

The Deering Post Office, an EAS-55 level, provides service from 08:30 - 14:00 Monday - Friday, 08:30 - 14:00 Saturday and lobby hours of 24:00 on Monday - Friday and 24:00 on Saturday to 70 post office box or general delivery customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 11 transaction(s) accounting for 10 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$13,191 (34 revenue units) in FY 2008; \$16,169 (42 revenue units) in FY 2009; and \$12,230 (32 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On June 22, 2011, representatives from the Postal Service were available at Delta C-7 High School Library to answer questions and provide information to customers. 89 customer(s) attended the meeting.

On June 16, 2011, 75 questionnaires were distributed to delivery customers of the Deering Post Office. Questionnaires were also available over the counter for retail customers at the Deering Post Office. 36 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 0 favorable, 21 unfavorable, and 15 expressed no opinion.

A petition supporting the retention of the Deering Post Office was received on September 02, 2011, with 158 signatures. If this proposal is implemented, delivery and retail services will be provided by the Wardell Post Office, an EAS-13 level office. Window service hours at the Wardell Post Office are from 8:30 to 16:00, Monday through Friday, and 8:30 to 9:00 on Saturday. There are 40 post office boxes available.

Retail service is also available at the Braggadocio Post Office an EAS-11 level office, located four miles away. Window service hours at Braggadocio Post Office are from 7:30 to 16:30, Monday through Friday and 7:30-8:30 on Saturday. There are 66 post office boxes available for rent.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:** Customer expressed a concern about mailbox vandalism.

Response: This is a problem that is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer a mail box to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff.
2. **Concern:** Customers inquired about mailbox installation and maintenance.

Response: Customers are responsible for mailbox installation and maintenance. Mailboxes must be placed so that they may be safely and conveniently served by the carrier and must be located on the right-hand side of the road in the direction of the carrier's travel. Mailbox supports should conform to state laws and highway regulations. The Postal Service recommends that customers contact the administrative postmaster or carrier for advice on placement of mailboxes and mailbox height and supports.
3. **Concern:** Customers were concerned about having to travel to another Post Office for service.

Response: Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
4. **Concern:** Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

5. **Concern:**

Customers were concerned about obtaining services from the carrier.

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

6. **Concern:**

Customers were concerned about permit mailing.

Response:

Administrative responsibility for the permit account will be or has been transferred to the administrative Post Office. Mailings must be submitted to that office for verification. Customers interested in obtaining a permit should contact the administrative postmaster.

7. **Concern:**

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

8. **Concern:**

Customers were concerned about the limited hours of operation at the Post Office.

Response:

Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue. A workload analysis indicated the office level had declined and qualified for less hours of service per week. Carrier service will provide 24-hour access to the mail.

9. **Concern:** I live in Braggadocio, but I occasionally use this Post Office. This Post Office is the life blood of the community and does not need to be closed. Too many elderly, poor and disabled people would be affected negatively. Plus the Delta C-7 schools and businesses. Many people who do not live in Deering itself, but gravel roads, etc. also use this Post Office.
- Response:**
10. **Concern:** This Post Office is a daily use for us and so many more, This would be a very big hardship to the Deering Community.
- Response:**
11. **Concern:** Customer expressed a concern about package delivery and pickup.
- Response:** Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. The carrier can deviate from the line of travel in order to receive packages. The rural carrier will accept letters, flats or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.
12. **Concern:** Customer felt that the USPS should negotiate a better lease with the property owner of the building due to no repairs or updates being done in years. Customer feels if the USPS leaves the community it will end up another vacant building.
- Response:** As leases expire the lease is negotiated. All leases are negotiated with different responsibilities of the owners and of the USPS. The lack of repair will be reported throughout the contract and the USPS will determine the responsible party and attempt to have repairs completed. The amount of the lease is based on the current property value at that time.
13. **Concern:** Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community.
- Response:** The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.
14. **Concern:** Customer expressed a concern about irregular hours that the rural route serves the community.
- Response:** Carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier to sound his horn, and then meet the carrier to receive services. Retail services may also be obtained at the administrative Post Office.
15. **Concern:** Customer expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. Quoting the PRC which said if the Postal Service closed 1000 Post Offices, it would only save 0.7% of the postal budget.
- Response:** The Postal Service has developed and begun implementing a range of cost-reducing initiatives. These include: consolidating operations, adjusting delivery routes, restructuring administrative and processing functions and closing district offices. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature service, in an effort to grow revenue.
16. **Concern:** Customer suggested reducing/alternating the number of hours the post office operates.
- Response:** Hours are determined by the workload at the post office.

17. **Concern:**

Customers asked why their Post Office was being discontinued while others were retained.

Response:

Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.

18. **Concern:**

Customers expressed concern over the dependability of rural route service.

Response:

Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously each day.

19. **Concern:**

Customers were concerned why the postmaster position was not filled.

Response:

All management positions were frozen in anticipation of the reorganization efforts.

20. **Concern:**

Customers were concerned about a possible address change.

Response:

Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations. Change of address forms are available online at usps.com or from the Postal Service to assist customers in notifying correspondents of the change.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Deering is an unincorporated community located in PEMISCOT County. The community is administered politically by Pemiscott County Court. Police protection is provided by the Pemiscott County Sheriff. Fire protection is provided by the Hayti Fire Department. The community is comprised of Retirees, Commuters, Farmers and Self employed., and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Delta C-7 School and Deering United Methodist Church., Griffin Oil & Propane, Forrest Excavating, Ag Distributors Inc. (ADI), Calhoun Enterprises, Deering Seed & Fertilizer and TLW Enterprises. . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Deering Post Office will be available at the Wardell Post Office. Government forms normally provided by the Post Office will also be available at the Wardell Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customer expressed a concern about nonpostal services.
Response: Nonpostal services provided at the Post Office will be available at the administrative Post Office. Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.
2. **Concern:** Customer expressed a concern about the loss of the community bulletin board at the Post Office.
Response: Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.
3. **Concern:** Customers expressed a concern about the loss of a bus stop at the Post Office.
Response: Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.
4. **Concern:** Customers felt the loss of a Post Office would have a detrimental effect on the business community.

Response:

Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

5. **Concern:**

Customers were concerned about loss of employment in the community.

Response:

The postmaster position is vacant and there is no guarantee that any replacement postmaster would be from the community.

6. **Concern:**

Customers were concerned about the loss of a gathering place and an information center.

Response:

Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

4. **Concern:**

Customers expressed concern for loss of community identity.

Response:

A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was promoted on October 10, 2008. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 33,664 with a breakdown as follows:

Postmaster Salary (EAS-55, No COLA)	\$ 22,520
Fringe Benefits @ 33.5%	\$ 7,544
Annual Lease Costs	<u>+ \$ 3,600</u>
Total Annual Costs	\$ 33,664
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 33,664</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Deering, MO Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Wardell Post Office, located 17 miles away.

The postmaster was promoted on October 10, 2008. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by rural route service.

The Deering Post Office provided delivery and retail service to 70 PO Box or general delivery customers and no delivery route customers. The daily retail window transactions averaged 11. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$33,664 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Wardell Post Office and Braggadocio Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

**FINAL DETERMINATION TO CLOSE
THE DEERING, MO POST OFFICE
AND ESTABLISH
SERVICE BY RURAL ROUTE SERVICE**

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is issuing the final determination to close the Deering, MO Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Wardell Post Office, located 17 miles away.

The postmaster position became vacant when the postmaster was promoted on October 10, 2008. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office was studied for possible closing or consolidation due to the following reasons: 1. Due to declining workload. 2. Operational efficiencies will be obtained by providing the alternate service. 3. Regular and effective service can be provided by the rural carrier that serves the community. 4. There are 2 other post offices within a 7 mile radius.

The Deering Post Office, an EAS-55 level, provides service from 08:30 - 14:00 Monday - Friday, 08:30 - 14:00 Saturday and lobby hours of 24:00 on Monday - Friday and 24:00 on Saturday to 70 post office box or general delivery customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 11 transaction(s) accounting for 10 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$13,191 (34 revenue units) in FY 2008; \$16,169 (42 revenue units) in FY 2009; and \$12,230 (32 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On June 22, 2011, representatives from the Postal Service were available at Delta C-7 High School Library to answer questions and provide information to customers. 89 customer(s) attended the meeting.

On June 16, 2011, 75 questionnaires were distributed to delivery customers of the Deering Post Office. Questionnaires were also available over the counter for retail customers at the Deering Post Office. 36 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 0 favorable, 21 unfavorable, and 15 expressed no opinion.

A petition supporting the retention of the Deering Post Office was received on September 02, 2011, with 158 signatures.

When this final determination is implemented, delivery and retail services will be provided by the Wardell Post Office, an EAS-13 level office. Window service hours at the Wardell Post Office are from 8:30 to 16:00, Monday through Friday, and 8:30 to 9:00 on Saturday. There are 40 post office boxes available.

Retail service is also available at the Braggadocio Post Office an EAS-11 level office, located four miles away. Window service hours at Braggadocio Post Office are from 7:30 to 16:30, Monday through Friday and 7:30-8:30 on Saturday. There are 66 post office boxes available for rent.

The proposal to close the Deering Post Office was posted with an invitation for comment at the Deering Post Office, Braggadocio Post Office and Wardell Post Office from July 13, 2011 to September 13, 2011. The following additional concerns were received during the proposal posting period:

1. **Concern:** Customer expressed a concern about mailbox vandalism.
Response: This is a problem that is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer a mail box to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff.
2. **Concern:** Customers inquired about mailbox installation and maintenance.
Response: Customers are responsible for mailbox installation and maintenance. Mailboxes must be placed so that they may be safely and conveniently served by the carrier and must be located on the right-hand side of the road in the direction of the carrier's travel. Mailbox supports should conform to state laws and highway regulations. The Postal Service recommends that customers contact the administrative postmaster or carrier for advice on placement of mailboxes and mailbox height and supports.
3. **Concern:** Customers were concerned about having to travel to another Post Office for service.
Response: Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

4. **Concern:** Customers were concerned about mail security.

Response: Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

5. **Concern:** Customers were concerned about obtaining services from the carrier.

Response: Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

6. **Concern:** Customers were concerned about permit mailing.

Response: Administrative responsibility for the permit account will be or has been transferred to the administrative Post Office. Mailings must be submitted to that office for verification. Customers interested in obtaining a permit should contact the administrative postmaster.

7. **Concern:** Customers were concerned about senior citizens.

Response: Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

8. **Concern:** Customers were concerned about the limited hours of operation at the Post Office.

Response:

Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue. A workload analysis indicated the office level had declined and qualified for less hours of service per week. Carrier service will provide 24-hour access to the mail.

I live in Braggadocio, but I occasionally use this Post Office. This Post Office is the life blood of the community and does not need to be closed. Too many elderly, poor and disabled people would be affected negatively. Plus the Delta C-7 schools and businesses. Many people who do not live in Deering itself, but gravel roads, etc. also use this Post Office.

9. **Concern:**

Response:

10. **Concern:**

This Post Office is a daily use for us and so many more, This would be a very big hardship to the Deering Community.

Response:

11. **Concern:**

Customer expressed a concern about package delivery and pickup.

Response:

Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to 1/4 mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. The carrier can deviate from the line of travel in order to receive packages. The rural carrier will accept letters, flats or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.

12. **Concern:**

Customer felt that the USPS should negotiate a better lease with the property owner of the building due to no repairs or updates being done in years. Customer feels if the USPS leaves the community it will end up another vacant building.

Response:

As leases expire the lease is negotiated. All leases are negotiated with different responsibilities of the owners and of the USPS. The lack of repair will be reported throughout the contract and the USPS will determine the responsible party and attempt to have repairs completed. The amount of the lease is based on the current property value at that time.

13. **Concern:**

Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community.

Response:

The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

14. **Concern:**

Customer expressed a concern about irregular hours that the rural route serves the community.

Response:

Carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier to sound his horn, and then meet the carrier to receive services. Retail services may also be obtained at the administrative Post Office.

15. **Concern:**

Customer expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. Quoting the PRC which said if the Postal Service closed 1000 Post Offices, it would only save 0.7% of the postal budget.

Response:

The Postal Service has developed and begun implementing a range of cost-reducing initiatives. These include: consolidating operations, adjusting delivery routes, restructuring administrative and processing functions and closing district offices. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature service, in an effort to grow revenue.

16. **Concern:** Customer suggested reducing/alternating the number of hours the post office operates.
- Response:** Hours are determined by the workload at the post office.
17. **Concern:** Customers asked why their Post Office was being discontinued while others were retained.
- Response:** Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
18. **Concern:** Customers expressed concern over the dependability of rural route service.
- Response:** Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously each day.
19. **Concern:** Customers were concerned why the postmaster position was not filled.
- Response:** All management positions were frozen in anticipation of the reorganization efforts.
20. **Concern:** Customers were concerned about a possible address change.
- Response:** Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations. Change of address forms are available online at usps.com or from the Postal Service to assist customers in notifying correspondents of the change.

Some advantages of the proposal are:

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this final determination will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Deering is an unincorporated community located in PEMISCOT County. The community is administered politically by Pemiscott County Court. Police protection is provided by the Pemiscott County Sheriff. Fire protection is provided by the Hayti Fire Department. The community is comprised of Retirees, Commuters, Farmers and Self employed. and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: Delta C-7 School and Deering United Methodist Church., Griffin Oil & Propane, Forrest Excavating, Ag Distributors Inc. (ADI), Calhoun Enterprises, Deering Seed & Fertilizer and TLW Enterprises. . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Deering Post Office will be available at the Wardell Post Office. Government forms normally provided by the Post Office will also be available at the Wardell Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customer expressed a concern about nonpostal services.

Response: Nonpostal services provided at the Post Office will be available at the administrative Post Office. Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.
2. **Concern:** Customer expressed a concern about the loss of the community bulletin board at the Post Office.

Response: Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.
3. **Concern:** Customers expressed a concern about the loss of a bus stop at the Post Office.

Response: Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.
4. **Concern:** Customers felt the loss of a Post Office would have a detrimental effect on the business community.

Response: Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.
5. **Concern:** Customers were concerned about loss of employment in the community.

Response: The postmaster position is vacant and there is no guarantee that any replacement postmaster would be from the community.
6. **Concern:** Customers were concerned about the loss of a gathering place and an information center.

Response: Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
7. **Concern:** Customers expressed concern for loss of community identity.

Response: A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this final determination will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was promoted on October 10, 2008. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 33,664 with a breakdown as follows:

Postmaster Salary (EAS-55, No COLA)	\$ 22,520
Fringe Benefits @ 33.5%	\$ 7,544
Annual Lease Costs	<u>+ \$ 3,600</u>
Total Annual Costs	\$ 33,664
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 33,664</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

This is the final determination to close the Deering, MO Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Wardell Post Office, located 17 miles away.

The postmaster was promoted on October 10, 2008. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. The workload has declined. Effective and regular service will continue to be provided by rural route service.

The Deering Post Office provided delivery and retail service to 70 PO Box or general delivery customers and no delivery route customers. The daily retail window transactions averaged 11. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$33,664 annually. A disadvantage to some will be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.
